### ABOUT THE YMCA OF THE PALM BEACHES

The YMCA of the Palm Beaches has been serving Palm Beach County since 1917. The Y has a goal of never turning away an individual or family for needed programs or services because of their inability to pay. Summer Day Camp and Preschool Services are essential for working parents. Each year we award hundreds of thousands of dollars in financial assistance to those who have demonstrated economic need...individuals and families who need our services most. Affordable membership rates are only made possible through fundraising efforts and the generosity of our supporters. Events, such as our Annual Prayer Breakfast, help fill the gap between low membership rates and program expenses. Please join us for our 14th Annual YMCA Prayer Breakfast and partner with our YMCA to provide a "hand up" to the many needy families in our community by becoming a sponsor.
