Key Note Speaker

Super Bowl Champion Quarterback Joe Theismann

Joe Theismann, former star quarterback for the Washington Redskins, is an entrepreneur, broadcaster, and author. A 12-year NFL veteran, he played in 163 consecutive games, led Washington to victory in Super Bowl XVII, and was the NFL's 1983 Most Valuable Player.

His career came to an abrupt end in 1985 after a nationally televised leg injury on Monday Night Football, one of the most memorable moments in sports history.

Following his playing days, Joe spent two decades as an analyst for ESPN and NFL Network while also building a successful career in business. He was inducted into the College Football Hall of Fame in 2003 and continues to inspire audiences through his speaking, broadcasting, and his 2020 book, *How to Be a Champion Every Day*.
